

Twitter Day of Action for Indigenous Health

11 AND 12 MAY 2016

**HOSTED BY ASSOCIATE PROFESSOR BRONWYN
CARLSON AND DR TANJA DREHER**

UOW staff and students are invited to support Indigenous voices in social media by participating in a twitter day of action for Indigenous health.

On Thursday 12 May, UOW will co-host the third annual Indigenous Health May Day Twitter festival, or #IHMAYDay16. The focus on the day will be Indigenous youth and families, and suicide prevention.

Leading in to IHMayDay, Wednesday 11 May will feature a program of face-to-face expert presentations on Indigenous health and skills share workshops on social media for activism and advocacy.

Please [register online](#) for the workshops.
