#NavigatingHealth

Join a **#CroakeyGO** – a collaborative act of walking journalism. Follow in the footsteps of a patient journey through the mental health system.

This is an open invitation for community members, people with lived experience, carers, mental health advocates, service providers, policy makers and other community members.

This **#CroakeyGO** is sponsored by the **North Western Melbourne Primary Health Network.**

Journalists from **Croakey Health Media** will produce articles and social media content. Participants will be invited to contribute to interviews.
