## #HeatwaveHealth

Join a #CroakeyGO – a collaborative act of walking journalism. Share knowledge about how communities are responding to the health risks of heatwaves.

This #CroakeyGO is sponsored by **IPC Health**, the lead agency of the Hotspots Brimbank partnership with Brimbank City Council and cohealth, and funded by the Lord Mayor's Charitable Foundation.

Journalists from **Croakey Health Media** will produce articles and social media content. Participants will be invited to contribute to interviews.

The itinerary and other details will be published closer to the time. To register your interest in attending, please contact: [info@Croakey.org](mailto:info@Croakey.org)

*We pay our respects to the Traditional Custodians of the land on which we will walk, the Aboriginal people of the Kulin Nation and recognise their Elders past, present and emerging.*
