For those viewers who can't be arsed with the paywall:

Dear Ms Cashman,

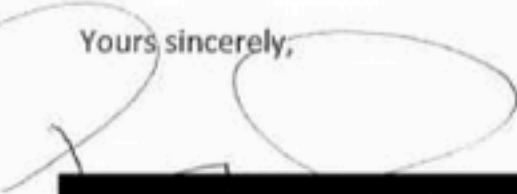

I refer to previous correspondence from the Australian Federal Police (AFP) Correspondence Team dated 24 December 2019, regarding your referral concerning allegations of fraud against the Commonwealth by Professor Bruce Pascoe.

Your referral provided details of a number of allegations of fraud by Professor Pascoe. Based on the information provided and inquiries undertaken no Commonwealth offences have been identified.

The AFP now considers this matter to be finalised.

Yours sincerely,

KALIA
