

The Croakey Funding Consortium

Applications welcome

Members of the Consortium are leading health and civil society organisations with a commitment to supporting public interest journalism that centres health equity.

Details of the Consortium members are publicly available on the Croakey website as part of our commitment to transparency, and also in acknowledgement of their support.

The Consortium funding pool is vital in assisting Croakey Health Media to remain sustainable. This is critical at a time when public interest journalism is in crisis, and traditional media organisations have diminishing capacity to cover health in depth.

The funds are used to help pay the editors who write, commission, edit and publish articles at Croakey.org.

Two options are available:

1. \$2,600 + GST consortium membership per annum

2. \$3,600 + GST consortium membership,
with logo and statement included on four of the weekly Croakey News bulletins noting your organisation is a supporter of Croakey and public interest journalism.

Members of the funding consortium are:

- provided ten complimentary subscriptions to the weekly Croakey News bulletin (total value \$600), with a further discount offered on bulk subscriptions.
- acknowledged on the Croakey website with your logo on the front page, with your organisation's name and link to your website.

Applications for membership are welcome. Please contact: laurell@croakey.org
